Top Quality Product And Exceptional Service.

We're Proud To Say

It Matters To Us That Our Products And Service Are Done Right. This Is The Reason We Design,
Test And Manufacture All In Our Own Facility. Our Mission Is To Provide Our Customers With Continuous Innovation,

ECO-LAND

Landway is committed to reducing the environmental impact of our products and the methods in which they are produced. We have teamed up with our global network of vendors, customers and business partners to adopt a corporate social responsibility policy that reduces waste, protects the environment and expands sustainable practices. In 2022 we updated some of our most popular styles utilizing these key advances in sustainable fabric technology.

Solution Dye

Yarns made from Solution-Dye-Pellets that significantly reduces water usage and harmful waste.

Polyloft[®] Insulation

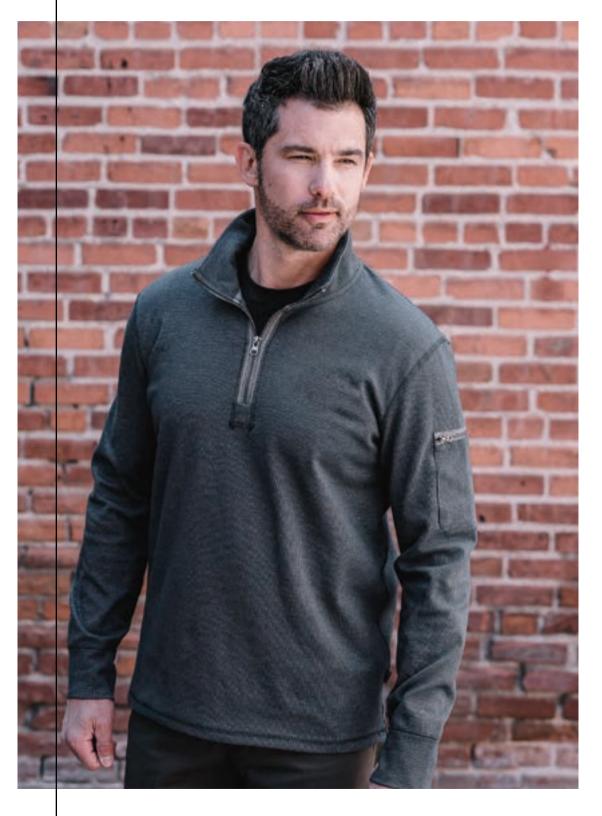

Polyloft[®] Insulation made from recycled polyester reusing post-industrial waste fibers.

Water-repellency using PVC Free C6 DWR treatment reducing the carbon footprint of our waterproof clothing.
