# CITY LUXE

## CONTEMPORARY TECHNICAL WEAR

In today's world, it's all about striking that balance between working hard to play hard. Our City Luxe collection leads this transition with its functional, yet urban style. Each product is designed carefully and planned specifically for a range of activities while maintaining a distinctly smart, city-sleek look. So no matter where the day takes you, you'll be on your way.

# TRENDY URBAN STYLE

Stay ultra cool with this comfortable city-sleek pullover shirt. The exposed metal zipper and convenient bicep pocket give this fleece shirt a modern flair that transcends time and space.

# SOFT-SHELL

## INCORPORATING TECHNOLOGY

Our best-selling premium soft-shells have always been designed with style and comfort in mind. Incorporating fabric technology means lining tiny, microscopic pores in our soft-shells to allow each garment to breathe. Bonding this cutting-edge material aids in allowing air to flow in and out easily and achieve maximum circulation.

## QUALITY + COMFORT AT A VALUE

It's all about clean lines and a simple design. Delivering our breathable, high quality microfleece soft-shell at a value is what this jacket is all about. No fluff or frills, just downright quality and comfort for the minimalist at heart.

## MOISTURE MANAGEMENT

We're going back to basics.

Focusing on what really matters has always been the forefront of design for our shirt collection. With this in mind, we've fused contemporary style and innovative fabrication to offer the best in moisture management technology. Our groundbreaking Active Dry® fabric draws sweat and perspiration effortlessly from the skin and expels it out to evaporate from the fabric.
